INTRODUCING THE MILAN RANGE

A fully enclosable structure with a fantastic range of accessories to include sliding and fixed glass systems, solid and fabric walls and like all the ranges is available in a wide variety of finishes and colours and can be fully branded.

These units can be co-joined to provide large complexes of cover for a wide variety of purposes that can be fully enclosed, heated and air conditioning to provide an all-year-round solution.

These structures are both available to purchase and are also available for short and long-term hire with integral weighted platform systems and a full range of accessories to provide pop up exhibition, sales, or restaurant spaces.

Bespoke units can be manufactured at special dimensions so as to enable a precise fit to any space. Size is no problem – we can build what you need.
