

THE VENICE RANGE

INTRODUCING THE VENICE RANGE

A full range of glass and fabric veranda solutions including retractable roof and walling enclosures in a wide variety of styles and abilities including electrical assistance and lighting, heating, and air conditioning products.

This product provides a superb solution to enable you to increase the use of extra spaces to provide year-round fully flexible accommodation.

Further products in our range include the supply of electric and manual wind out awnings.

Bespoke units can be manufactured at special dimensions so as to enable a precise fit to any space. Size is no problem – we can build what you need.

A full technical brochure is available.
