

THE BIARRITZ RANGE

INTRODUCING THE BIARRITZ RANGE

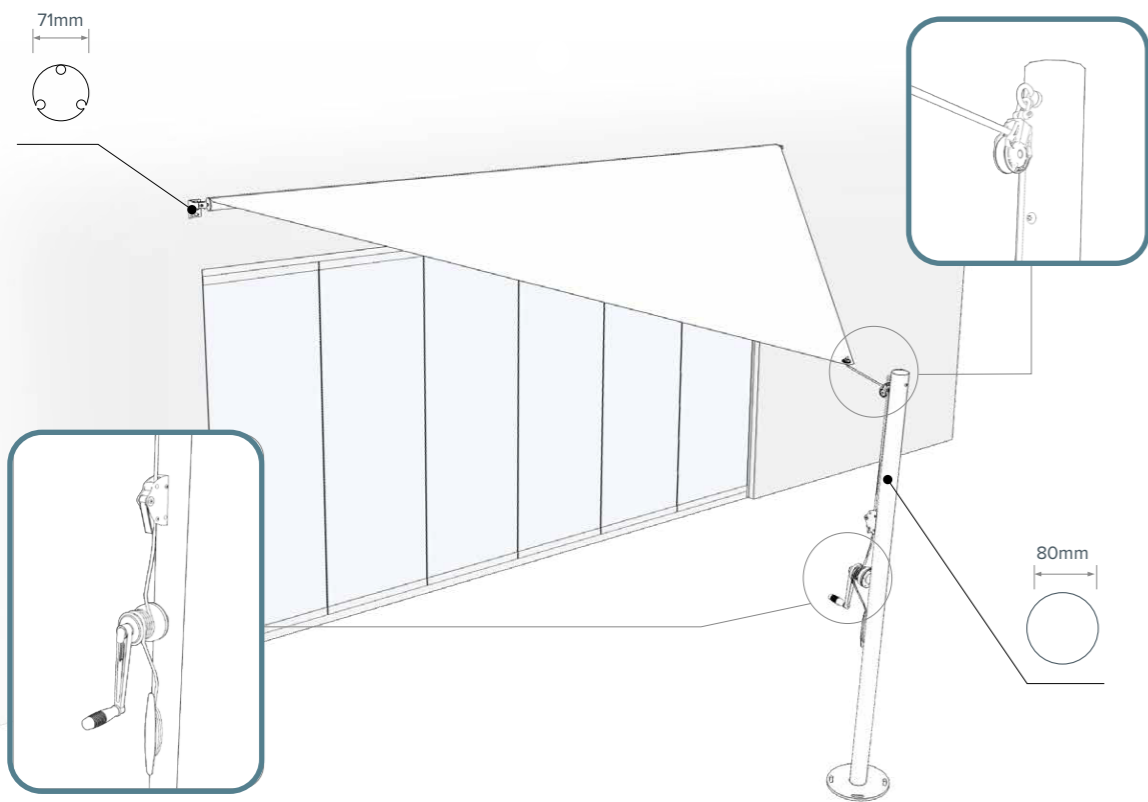

A wall mounted structural sail system that can be easily withdrawn to the wall to provide ultimate flexibility with regards to coverage being available or not, or if poor weather is expected.

Sizes range from 3 metre wide with a pulled-out dimension of again 3 metres, right up to 6 metres in roller width with a 6-metre overall reach

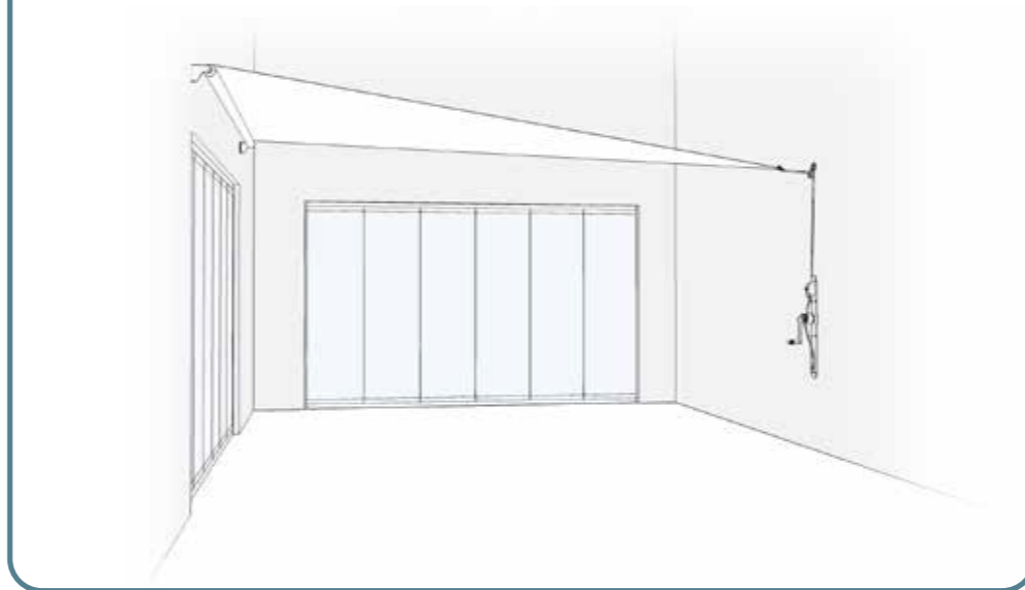

Bespoke units can be manufactured at special dimensions so as to enable a precise fit to any space. Size is no problem – we can build what you need.

A full technical brochure is available.
